## HARMONIE PRE-SORTING TABLE

**ERGONOMIC**

THE BACKREST AND RAMP CAN BE ASSEMBLED ON EITHER SIDE OF THE TABLE: A CHOICE OF 2 TRAFFIC FLOW DIRECTIONS

**AESTHETIC**

TWO HEIGHTS AVAILABLE STANDARD OR PRIMARY

**EASY TO CLEAN**

Harmonie pre-sorting tables are used to sort waste in the dining room and store glasses and cutlery before they are sent for washing.

These tables are delivered with the backrest and ramp dismantled since they can be assembled on either side of the table. This gives you a choice of 2 traffic flow directions for your guests.

Pre-sorting tables come in standard (H.830 mm) or primary (H. 680 mm) versions with or without doors. They come with legs or wheels.

**Construction**

- Anodised aluminium formed section structure and melamine panels with a protective angle bar.
- 3-side covering with coloured melamine panels (delivered as standards in Apple Green).
- Stainless steel top, 15/10 mm thick.
- Tray removal ramp made of low spill-over stainless-steel tube (ramp 150 mm deep).
- Backrest in stainless steel (H 327 mm). The backrest or ramp can be assembled on either side of the table.
- Waste bin centring system for quick "full/empty" changeover.
- Locking stop to centre waste bin under skirting.
- Removable elastomer skirting (Ø 170 mm) and waster bin receptacle for dishwasher.
- Low shelf for storage of the water collector and glass racks.
- Models with doors made of translucent PMMA.
- 6 feet with jacks or 5 composite wheels diam.125 with brakes.

**Delivered with :**

- 3 GN1/3 H150 pans.
- 2 bag support trolleys without lids ref. 858006 (859006 for lowered height models).
- 1 plastic water collector container.
- 1 removable holder for glass racks.

**Option**

- Splash back rear closure.

**Accessories**

- Additional refuse-sack trolley without lid.
- Additional refuse-sack trolley with lid.
- Information sheets holder.
